

All That's In Me

Andrew Thompson

Praise the Lord, O my soul, let all that's in me praise His name.

Praise the Lord, O my soul, let all that's in me praise His name.

He who made the moun - tians high, He who made the val - leys low.
He who made the wind and wave. He who sent His Son to save.

He who made the oc - eans wide. Who made the stars that shine at night.
He who tri - umphed o'er the grave. Whose grace can wash our sins a - way.
