

# Bread Of Life

Robbie Cochran & David Poindexter

---

## Verse

Lord I come to You with an open heart  
Satisfy my longing to know You more and more  
Lord, I want to know You more

## Chorus

Fill my hunger with Your bread of life  
Shower me with the water of Your spirit  
Take my mind and form it in the likeness of Christ  
Take my heart and fill it with Your love  
(Fill it with Your love)
