$\frac{4}{4}$

**M.M. = 102    INTRO:  ||: G Am | C  D :||**

**G        -    Am - | C    - D -**  
O Love that will not let me go,

**G        -    Am - | C        - D/F# -**  
I rest my weary soul in Thee

**G        -    Am - | C    - D/F# -**  
I give Thee back the life I owe

**G        -    Am - | C        - D/F# -  $\frac{2}{4}$  - -  $\frac{4}{4}$**   
That in Thine ocean depths its flow

**Am - D/F# - ||: G - Am - | C - D/F# - :||**  
May richer, fuller be

**G        -    Am - | C    - D/F# -**  
O Light that followest all my way,

**G        -    Am - | C        - D/F# -**  
I yield my flickering torch to Thee;

**G        -    Am - | C        - D/F# -**  
My heart restores its borrowed ray,

**G        -    Am - | C        - D/F# -  $\frac{2}{4}$  - -  $\frac{4}{4}$**   
That in Thy sunshine's blaze its day

**Am - D/F# - | G**  
May brighter, fairer be

**G/B - C - | D/F# - G - | G/B - C G/B | Am - D D/C**  
**O Love that will not let me go, like an anchor to my soul**

**G/B - C - | D/F# - Em -  $\frac{2}{4}$  - -  $\frac{4}{4}$**   
**Forever in your sovereign hold**

**Am | Em - D/F# - ||: G - Am - | C - D/F# - :||**  
**Love that will not let me go**

**G - Am - | C - D/F# -**  
**O Joy that seekest me through pain,**

**G - Am - | C - D/F# -**  
**I cannot close my heart to Thee;**

**G - Am - | C - D/F# -**  
**I trace the rainbow through the rain,**

**G - Am - | C - D/F# -  $\frac{2}{4}$  - -  $\frac{4}{4}$**   
**And feel the promise is not vain,**

**Am - D/F# - ||: G Am C D/F# :||**  
**That morn shall tearless be.**

**G - Am - | C - D/F# -**  
**O Cross that liftest up my head,**

**G - Am - | C - D/F# -**  
**I dare not ask to fly from Thee;**

**G - Am - | C - D/F# -**  
**I lay in dust life's glory dead,**

**G - Am - | C - D/F# -  $\frac{2}{4}$  - -  $\frac{4}{4}$**   
**And from the ground there blossoms red**

**Am - D/F# - | G**  
**Life that shall endless be**

**CHORUS 2 x**
