YOU CHOSE THE NAILS

Words and Music by Arthur Morgan

[Verse]

```
G                      C     D
 Lord I cannot comprehend
G                                C      D
 When I'm the one who sin and fails
G                          C
 You the Holy Righteous One
    G          C           D          G     C D
You chose the nails, You chose the nails
```

[Pre-Chorus]

```
G                                  C
 Though You had angels at Your call
    D          G
You chose the nails
```
