Broken

D2 A4
I am tired beaten down
G Em7 A4
In this sea of loneliness I have drowned
D2 A4
I am weak I cannot stand
G Em7 A4
Is there no one to lend a helping hand

D2 A4
I am blind I cannot see
G Em7 A4
My ship is sinking come and rescue me
D2 A4
I am deaf I cannot hear
G Em7 A4
Lord I need someone to help and lead me near

Chorus
G Em7
I am broken but You hear my cry
G A4
I am broken but unto You I'll fly
G Em7
I am broken but You died for me
G Em7 A4
I am broken but still You came and set me free

D2 Em7 A4
Lord You came to me and picked me up
D2 Em7 A4
You rescued me and showed me Your Love
D2 Em7 A4
You set me firm upon my feet
D2 Em7 A4
And the adversary I can now defeat

D2 Em7 A4
You gave me grace You gave me love
D2 Em7 A4
You descended down from heaven above
D2 Em7 A4
You died for me to set me free
D2 Em7 A4
And I thank You Lord for You are here with me
