Ballad To A Savior

Em D
I've been waiting for a longtime Lord, just to see Your face
Bm C
I know that You're here with me Lord, I can feel Your grace
Em D
When I close my eyes Lord, I can hear Your voice
Em C
I can feel You in my heart, and it makes me rejoice

Em D
When You pick me up I can feel Your nail pierced hands
Bm C
Lord when You carry me I can see Your footprints in the sand
Em D
I can feel Your loving arms around me when You hold me tight
Bm C
And when I stumble in the darkness, Lord I can see by Your light

CHORUS (didn't have time to put in song)

Draw me near and hold me close

Whisper in my ear that You love me so

Calm my Lord I need to know

That You are here and You'll never let me go

I'm down on my knees Lord, and I'm crying out to You

I know that You will hear, for Lord You're faithful and true

I can feel Your loving touch, Lord as You comfort me

I once was bound by my sin, but Lord You have set me free

Lord You died upon the cross, to pay for my sin

Lord cover me by Your sacrifice and be with me until the end

Lord You freely shed Your blood, for my iniquities

I know that You will hear my voice and You will hear my pleas
