You're everything I need

You are the forgiver of my sin
You cleanse me deep within
You made my life brand new
That's why I sing to you

You didn't have to die for me
Am **G** **C**
You took my penalty, so I could go free
F **G** **Em** **Am**
I can never pay back what you did for me
F **G** **C**
But Lord I give you my heart, all of me

Verse 3:
And when I don't understand your ways
Feel far away from your grace
You turn my anxious mind
To the greatest joy I find
