

My Life Belongs To You

JESSE AUCIELLO

Verse 1:

To sing an anthem
To lift these hands up
To shout in silence to You
To know Your leading
To hear Your heartbeat
To stop and listen for You

Chorus:

More than the words I say
You're the truth, the way
And nothing else will do
More than a song I sing
You're the breath I breathe
My life belongs to You

Verse 2:

To feel Your presence
To stand in stillness
To let my hope rest in You
To walk the long road
To laugh in sorrow
To trust in nothing but You

Bridge:

You're the breath I breathe
And that's all I need
My life belongs to You
