

Lead Me

Words and music by Thor H. Braarvig

Verse:

Help me go when you say go
Help me wait when you say no
By your mercy Lord I can
Live my life on your command

Help me walk throughout the day
Help me live the words you say
That those not knowing you might see
That you're everything they need

Chorus:

Lord lead me, I'm just a vessel in your hand
Surround me with your precious love I pray
So if darkness surrounds me still I'll stand.
Cause I'm born to fulfill my masters plan
