

God of grace

D D/C# D/B G
Lord, hear my prayer; here this prayer I come before your throne
D D/C# D/B G
I come upon my knees in my time of need
D D/C#
I've sinned; I've failed again
D/B G
Grieved Your heart grieved Your Spirit too
D D/C# D/B G D
Doing the very thing I didn't want to do

D Em D/F#
But You're the God;
G D/F# Em
The God of grace
D A Bm
And who is love
Bm Bm/A G
And who sent his Son
D Em D/F#
Who through the cross
G D/F# Em
Has be - come
D A Bm
My righteousness
Bm Bm/A G
And peace with You

Your word clearly says that if I come and confess my sin
You're faithful and You're just and you will forgive me:
Just as if I never sinned
And as if I've always done what's right
Justified in You, cleansed from all unrighteousness

You're the God;
The God of grace
And who is love
And who sent his Son
Who through the cross
Has become
My righteousness
And peace with You
