

Change Me

Am F

I will cry out to You 'cause I am through

G C

Fighting on my own

Am F

I know that You are strong there's grace beyond

G

Everything I've done

Am F

Who can rescue me from all my sin?

G C

It's only Christ alone

Dm G

What's lost can still be won

Am F

Only You can take the cross and change it

G C

To a tree of life

Am F

Only You can take my darkened heart and

G

Fill it with Your light

Am F

Only You can take the curse and somehow

G C

Make it a blessing

Dm G

And Jesus, You can change me

Am F

I will give up my pride, the things I hide

G C

So You can work again

Am F

I will give up my rights and let You fight

G

So I can finally win

Am F

Who can rescue me from all my sins?

G C

It's only Christ alone

Dm G
