

You Are So Strong

D G/B
I pick up my cross to carry it Lord
D/A G
But You know it feels light 'cause You already bore
D G/B
All of my sins, the burdens I earn
D/A G
A heavy load to carry all on Your own

D
You are so strong
G
You carried the weight of the world
D/A
On Your shoulders
G
But You didn't give up
D
You carried on
G
'Till all of my sins were paid
D/A
You didn't bow Your head
G
Until it was done

D G/B
No one compares to Your courage that day
D/A G
'Cause I know if I'd been there I would have run away
D G/B
But our young God was brave, call Him Faithful and True
D/A G
You're the only hero I need to look up to

D
You are so strong
G
You carried the weight of the world
D/A
On Your shoulders
G
But You didn't give up
D
You carried on
G
'Till all of my sins were paid
D/A
You didn't bow Your head
G
Until it was done
