## Verse 1

**C** **F** **G**  
Praise God for the gifts He gives from above

Justice and mercy and eternal love;

**C** **F** **G**  
Treasures of knowledge and wisdom untold,

**G** **F** **G** **C**  
From eternity past, forever unfold!

**C** **Em** **F** **G**  
Praise God for the wisdom He freely gives

**C** **Em** **F** **Dm**  
The mind of the child who desires to live

**C** **Em** **F** **G**  
With a humble and broken and sanctified heart

**G** **F** **G** **C**  
Who seeks to be His and set apart!

## Chorus

**C/G** **F** **C** **Am**  
He's building a temple holy and pure,

**C/G** **F** **G** **Am**  
Whose Foundation is steady, solid and sure

**C/G** **F** **C** **Am**  
The pillars support, the walls don't divide

**C/G** **F** **G** **C**  
Built up in love and filled with His Light.

## 4<sup>th</sup> X to Chorus

## 5<sup>th</sup> X to End

**C/G** **F** **C** **Am**  
All glory to Him when the blind see,

**C/G** **F** **G** **Am**  
When the mute sing and the lame run free!

**C/G** **F** **C** **Am**  
But let us rejoice with the angles above,

**C/G** **F** **G** **C**  
When one sinner turns to receive Jesus' love!

**C/G** **F** **G** **C**  
When one sinner turns to receive Jesus' love!

Cleansed by His blood, transformed by His grace

Sealed by His Spirit, and seeking His face!
