

He Is The Holy of Holies

No one here is righteous
No not one
I confess the things I've
Said and done
In my fear and sin I've
Tried to run
Cover me in mercy
Holy Son

God alone is good
God the one and only
God alone is good
He is the Holy of Holies

I want to be made righteous
Like You are
Pour Your love inside me
Change my heart
I am humble now before
Your throne
Please forgive me Lord and
Make me Yours

God alone is good
God the one and only
God alone is good
He is the Holy of Holies

I have been made righteous
It is done
You have taken my sins
They are gone
Will you come and keep me
In Your Love
May Your grace and mercy
Shine through us

God alone is good
God the one and only
God alone is good
He is the Holy of Holies

God alone is good
God the one and only
God alone is good
He is the Holy of Holies
He is the Holy of Holies
He is the Holy of Holies
