

My Lord, I Did Not Choose You

by *Gayle Mattox / Josiah Conder*

C F C

My Lord, I did not choose You,

F C

For that could ne-ver be;

F C

My heart would still re-fuse You,

G7 C

Had You not chos-en me.

Am F G

You took the sin that stained me,

Am F G

You cleansed me, made me new;

C F C

Of old You have or-dained me,

G7 C

That I should live in You.

C F C

Unless Your grace had called me

F C

And taught my op'-ning mind,

F C

The world would have en-thralled me,

G7 C

To heav'nly glor-ies blind.

Am F G

My heart knows none a-bove You;

Am F G

For Your rich grace I thirst;

C F C

I know that if I love You,

G7 C

You must have loved me first.
