

The Change You Made In Me

Robbie Cochran & David Poindexter

Verse

**Lord I open the flood gates and let Your spirit
Freely flow in my life
With faith I release Your pow'r O Lord
I'm walking in Your light
You set me free O Lord
I am free indeed
Through grace I receive Your gift of life
This change You made in me**

Chorus

**And Your spirit lives in me
You O Lord have set me free
Thank You Lord, O thank You Lord
For the change You made in me
And Your spirit lives in me
You O Lord have set me free
Thank You Lord, O thank You Lord
For the change You made in me**
