

# **My Heart Is Yours**

Robbie Cochran

---

**Holy and righteous are Your ways  
Great Redeemer of my life  
Apart from You I have no hope  
You planted the seeds of faith inside**

**My heart is Yours  
My life endures  
Anything through You  
Everything for You  
You are my strength**

**You are my rite of passage  
Into eternal life with You  
You are the newness  
Of life that I breathe  
Now I am free  
Your Spirit lives inside of me**
