

ABOVE ALL ELSE

GALVIN SNG (JANUARY 2003)

**How wide is Your great love
That You would come and die for me
The Lamb that's been given
So I may come receive**

**Your grace it overflows
Your mercy fills me in my soul
Such a wonderful Saviour
Who knows me like my own**

**What a privilege for me to come depend
on a God who calls me by my name, my friend**

***Above all else
I want to love You like You do
Lord I will worship like I should
I will give my all to You***

***Above all else
I want to live my life each day
Pleasing in every single way
Jesus I will offer up my all to You***

**There're times when I would fall
When I can't seem to hear You call
But I know that You're here Lord
You'll never let me go**

**You'll always stand by me
For who I am and used to be
Don't deserve any of these
The things You freely give**
