**Everything**

**You're the air I breathe**

**Everything to me**

**Everything**

**You're the one I need**

**For everything**

**I affix my eyes on You Lord**

**I align my ways with Yours**

**I establish my thoughts**

**Around Your perfect plan**

**I'm enlightened by Your wisdom**

**I'm intrigued by Your love**

**I embrace You wholly**

**Lord You are to me**

**I can't deny Your beauty**

**And I can't deny Your love**

**I can't deny what I believe**

**I have faith from a - bove**
