

Because I Can Breathe

David Poindexter & Sheri Poindexter

**Lord I worship You because I can breathe
Lord I worship You because I can see
Lord I worship You with all of me
Lord I worship You with the life I lead**

**And I lift up my hands
And I worship You with all I am
And I lift up my voice
And I join with the angels singing this chorus
Holy, holy, holy are You Lord**

**Holy, holy, holy (2nd time only)
Holy, holy, holy
Holy, holy, holy are You Lord**
