

## Great and Gentle

You are the Fire  
Holy and Righteous  
You are the Flame that my sin fears  
You are the water  
Holy and righteous  
You make me clean so I can come near

And I will worship You  
For You are great and gentle too  
Master who sets me free  
Is bound and sold for me

You are the Lion  
Holy and righteous  
You are the one my soul fears  
You are the Lamb  
Holy and Righteous  
You shed Your blood so I can come near

And I will worship You  
For You are great and gentle too  
Kind Judge who gives mercy  
Dies instead of me

Master I'll serve You with all of my strength  
For You gave all Your strength living for me  
Master I'll serve You with every breath  
For You gave Your last breath dying for me

And I will worship You  
For You are great and gentle too  
Master who sets me free  
Kind Judge who gives mercy  
Great God who whispers come  
Into Your arms I run  
Into Your arms I run

And I will worship You  
For You are great and gentle too  
Master who sets me free  
Kind Judge who gives mercy  
Great God who whispers come  
Into Your arms I run  
Into Your arms I run
