

# Call On The Name

## *Verse 1*

Lord, my heart is light  
You've washed it clean  
Never realized the burden I was carrying  
But when You carried the cross to Calvary  
You lifted the load off me  
Lord, my heart is light  
Now that it's clean

## *Chorus 1*

I had to Call on the Name  
Call on the Name of Jesus  
He is the One begotten Son He leads to Your throne  
Just had to Call on the Name  
Call on the Name of Jesus  
He is the One the Father gave so I'm never alone

## *Verse 2*

Lord, my heart sings praise  
Now that it's clean  
Never realized the bitterness I was harboring  
But when You forgave them at Calvary  
You showed me how to be  
Lord, my heart sings praise  
now that it's clean

## *Chorus 2*

I had to Call on the Name  
Call on the Name of Jesus  
I had to ask to be washed in the Blood of The Lamb  
Just had to Call on the Name  
Call on the Name of Jesus  
He is the One the Father gave for the sins of man

He is the One the Father gave  
He is the One the Father gave

## *Repeat Chorus 2*
