

# Good Morning Lord

CCLI # 5184291

## *Verse 1*

Good morning Lord  
You know what kind of night I've had  
It's so good to know  
You're never too tired  
To listen to me, to talk to me

## *Chorus:*

I can sit at Your feet  
Stroll by Your side  
You're always my friend  
To comfort and guide  
So good to be one of the children  
You've called unto Thee  
And I'll follow, follow, follow

## *Verse 2*

Good morning, Lord  
You know the day that lies ahead  
It's so good to know  
You're never too tired  
To listen to me, to talk to me

## *Chorus*

## *Bridge*

And I'll follow, follow, follow  
Though the road gets rougher, temptation tougher  
And the evil one will try to deceive me

## *Chorus*

## *Verse 3*

The day's done, Lord  
You were with me every step of the way  
It's so good to know  
You're never too busy  
To listen to me, to talk with me

## *Chorus*

## *Tag*

*I can follow, I want to follow, please help me follow  
I've got to follow, please help me follow, I want to follow  
I'm gonna follow, please help me follow, I want to follow  
I've got to follow, please help me follow, I want to follow*
