

GATHER ROUND (Ascension Song)

Gather round
Before our King
He is risen and ascended
Every broken heart He's mended
Gather round

Gather round
Before the Lamb (Holy)
Praise the glorious I AM (Holy)
Worship to the Son of Man (Holy)
Gather round

Gather round (Holy)
Sing His praise (Holy)
With coals to purge our lips (Holy)
Spirit songs of true worship (Holy)
He is risen and ascended (Holy)
Every broken heart He's mended (Holy)

Crucified and glorified
Lifted up before our eyes
Risen and ascended
To His righteous throne in heaven
Gather round

Gather round
Stand in awe
And sing Holy Holy Holy
Worthy Lamb upon the throne
Risen and ascended
Every broken heart He's mended

Crucified and glorified
Lifted up before our eyes
Risen and ascended
To His righteous throne in heaven
Risen and ascended
Every broken heart He's mended
Gather round

Gather round and sing Holy
Sing Holy Holy Holy
Worthy Lamb upon the throne

Risen and ascended
Every broken heart He's mended

Risen and ascended
Every knee shall now be bended
Gather round (Gather round)

Risen and ascended
Every knee shall now be bended
Gather round (He is Lord, He is Lord)

Risen and ascended
Every knee shall now be bended
Gather round (He is Lord)
Gather round
Gather round (Before the Lord)
Gather round (Holy, Holy, Holy, Holy, Holy, Holy)
