

# A Beautiful Song (Country Version)

## *Chorus 1*

I want to sing to You a beautiful song  
Expressing my love for You all the day long  
I want to sing a song of praises  
To You Lord, my Rock of Ages  
I want to sing to You a beautiful song

## *Verse 1*

I look at the mighty trees and all the beautiful leaves (I see them, I see them)  
Each leaf engraved with a beautiful melody (I hear them, I hear them)  
I hear the sweet birds sing a perfect praise song  
All of creation sings a beautiful song  
I want to sing to You a beautiful song

## *Verse 2*

Each drop of rain a note in the song of the ocean (I hear it, I hear it)  
Each mighty wave a display of Your hand in motion (I see it, I see it)  
All of the sea sings a majestic song  
All of creation sings a beautiful song  
I want to sing to You a beautiful song

## *Bridge*

How can I find the words to sing such a beautiful song? (ahh)  
Where is there a melody for such a beautiful song? (ahh)  
Deep in my heart find a place that is pure  
I planted Your word, now let it spring forth  
So I can sing to You a beautiful song

## *Verse 3*

The sun and the moon and stars all circle above (I see them, I see them)  
Dancing a beautiful song to You Lord above (I see them, I see them)  
The heavenly hosts sing a glorious song  
All of creation sings a beautiful song  
I want to sing to You a beautiful song

## *Chorus 2*

I want to sing to You a beautiful song  
When the sun shines and through the darkest of storms  
I want to sing a song of praises  
To You Lord, my Rock of ages  
I want to sing to You a beautiful song
