

Father Forgive

Words and music by Nicole Oliver.

Verse 1

Thirty-three years before
When heaven yielded life
Divine taking human form
Angels sang a lullaby

Glory to God in the highest
God giving peace to the world

Chorus

One voice crying out today
One man taking sin away
Arms stretched out to show the way
Father forgive

One son, dying, pays the cost
One soul pleading for the lost
Guiltless, cursed, nailed to a cross
Father forgive
Father forgive ooh Father forgive ooh
Father forgive ooh Father forgive

Verse 2

Journeying dusty streets
Speaking words of life
Grateful tears wash his feet
The Son of God prepares to die

Anguished groans in the garden
Begging for anything else

Chorus

One voice crying out today
One man taking sin away
Arms stretched out to show the way
Father forgive

One son, dying, pays the cost
One soul pleading for the lost
Guiltless, cursed, nailed to a cross
Father forgive
Father forgive ooh Father forgive ooh
Father forgive ooh Father forgive

Bridge

Not my will, Lord
Not my will, Lord
It's not my will, Lord
No no, no no

Not my will, Lord
Not my will, Lord
It's not my will
But yours will be done

Link 3

Humankind's darkest hour
Unleashing God's blinding power

Chorus

One voice crying out today
One man taking sin away
Arms stretched out to show the way
Father forgive

One son, dying, pays the cost
One soul pleading for the lost
Guiltless, cursed, nailed to a cross
Father forgive
Father forgive ooh Father forgive ooh
Father forgive ooh Father forgive
