

Come On Everybody, Lift Jesus' Name

Words and Music by Arthur Morgan

**Come on everybody, lift Jesus' name
Come on everybody, lift Jesus' name
He went to the cross, for our sin and shame**

**Don't want no man, make a monkey of me
Don't want no man, make a monkey of me
For Jesus is the truth, that has set me free**

**Lord I believe, You are mighty to save
Lord I believe, You are mighty to save
Because that I know, You have conquered the grave**

**Come on everybody, lift Jesus' name
Come on everybody, lift Jesus' name
He went to the cross, for our sin and shame
He went to the cross, for our sin and shame**
