

JESUS CHRIST ALMIGHTY © Michael Vondracek

CHORUS

He was born in a manger, lo in a tiny manger
Angels kept him from danger,
In him they saw their savior

When the lord came down from above,
He brought to earth his pure sweet love
People of all of his nations
Were Saved by love they gave celebration

CHORUS

He was born in a manger, lo in a tiny manger
(Jesus Christ Almighty, born for us in glory)
Angels kept him from danger,
(He was born to save us,)
in him they say their savior
(Came down from high, came down to save us.)

Heavenly light shining down through the ages
Hear us lord as we sing your praises
Illuminate the path that will save us
Peace and love heavenly justice

CHORUS

On this night as in ages past
Our Saviors come to earth at last
Joy, love, strength and salvation
Our Voices raised in glad jubilation

CHORUS
