CAPO 1 (D)

Verse 1:

King of worth, God on high
I'm lost for words, I can't describe
There is none like You
The Faithful One, Strong and Might
Unchanging God, Clothed in light
Your beauty fills my eyes

Chorus:

There is no one else for me
Nothing else could take Your place
Unending love has captured me
Now I live for You alone

Verse 2:

Take these hands, take these feet
Use them just as you please
Teach me how to love
I am Yours, You are mine
Nothing else can satisfy
You are my one desire
