2. On earth today, there's so much disarray
People steal and kill, are starving and are ill
Hard to understand, why you don't lend a hand
Your are our god with power, and our strife this hour.

3. Some stories taught, have much confusion brought
Facts we need to know, with wisdom we will grow
Not all faiths agree, Christ died to set us free
So let the word go out, and remove all doubt

4. Forgive our doubt, please help us sort things out
Lord god in our helm, give wisdom from our realm
Teach us to forgive, be tolerant and give
To those in need of care, help us all to share

5. So gracious Lord, forgive us all our sins
Hear our earnest prayer, which shows how much we care
Help us to be strong, to you we gave this song
And as we know you're there, hear our earnest prayer
